

**EUROFRAGRANCE IS GROWING**

**Eurofragrance** invoiced 10 M€ in the first semester of 2008 versus 8.7 M€ of the previous financial year, 2007. The company expects to invoice 21 M€ this year versus 18 M€ for the previous financial year, 2007. Its growth has been placed at 16.5 percent. Since it was founded in 1990, Eurofragrance has stood out from the crowd with a clear international vocation. With a workforce of 102 employees, Eurofragrance is present on four continents. It is no coincidence that 70 percent of its total revenue comes from exports. Asia is the continent where it has the greatest implementation. It has a future commitment to set up an affiliate in China and take the leap to the United States.
