

## Refined organic fragrances

**Eurofragrance** | Following the launch of the new Naturall Ecocert certified fragrance range with the Bio Men and Bio Women products Euro-

fragrance are now extending their organic range with four new fragrances. Bio Uni is an EDT with a clean bergamotte and mandarin fragrance, framed in cardamom and cananga, and with hints of patchouli, vetiver and amiris wood. The Bio Children fragrance is designed for eco-friendly youngsters. A combination of petitgrain, grapefruit, lemon ice and mandarin juice is sweetened by cinnamon leaves and caramel. Bio Shower, developed for everyday personal cleansing, refreshes and enlivens with lemon, orange, ginger and galban. Bio Cream is an elegant, spicy organic perfume with a fragrance of red peppers, nutmeg, cardamom and coriander. Muskatnuss, Kardamom, Gewürznelke und Koriander.

*Perfumes for different consumer types, produced in a sustainable way*
